

JEANETTE JARVILLE

Jeanette is a full time, award winning abstract artist from Vancouver, BC. Jeanette attended and graduated from the Emily Carr University of Art & Design in 1996. She was awarded four scholarships for the innovative work at ECUAD. She also studied sculpting and classical painting at The Weissensee Fine Art Academy in Berlin, Germany.

Her abstract expressionist and semi abstract paintings beautifully combine spontaneous fluid marks, structured form and compelling composition. Her work is recognized for its unique and imaginative bold gestures, dynamic colour combinations and storytelling titles. Her subjects are organic, drawn from nature and the human figure. She works in oil, acrylic and mixed media painting, and sculpture in all media.

Jeanette's works are in private and corporate collections within Canada and internationally. She has exhibited in solo and group shows locally and internationally, and has had work in The McBride Museum in Whitehorse, Yukon, and The Venice Biennale, Italy.
